We all take journeys — through friendships, learning, school sports, and many other things. For everyone, our journey through school began in kindergarten or the first grade. For some, the journey through LRE is just beginning; but for others, it is about to end at LHS.

This book is a record of one year's journey. We, as a student body, having worked hard this year, can now remember it in the pages to follow.

JOURNEY - (jur'ne) travel or passage from one place to another.

The greatest satisfaction comes from the completion of a difficult task. Our task, as a staff, was to record the events of this year at LRES and LHS. We have tried to preserve a few of the moments and faces of this year. This book is a record of that journey. We hope you like it.

Representatives of the Northwest Louisiana Officials Association present a football sportsmanship award to LHS. It is presented annually to one school in each division. LHS was the only school among the 34 the association represents to receive a 100% rating. Schools are rated on a scale of 0-5 for good sportsmanship displayed by the principal, team, coaches, cheerleaders, and fans. LHS scored 5 on every game and thus received a 100% rating — truly a "journey" that was successful. Pictured above are Mr. Jimmy Honeycutt, Coach Haynes, Coach Morvan, Coach Carter, Coach Freeman, and Mr. Jerry Marlan.

Who's Who

This is the seventh year that the LHS faculty has selected outstanding students to be listed in Who's Who. These names are also listed in the national Who's Who.

Students are selected on the basis of character, personality, scholastic ability, dependability, attitude toward school and school activities, willingness to work, representative ability, and citizenship in school and community.

A senior's "journey" often moves
at a fast pace—from classes to
parties, banquets, and parades.

Juniors Enjoyed Their "Juniority."

A break during the daily school "journey"

Why change a good thing?

Pucker up pickle lips!

Angela and Patti prepare refreshment to be sold at the junior bizarre.

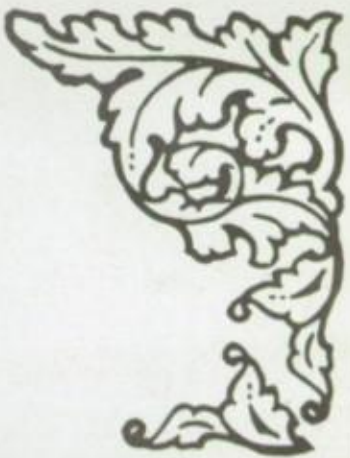

Andy, there is a goalie in hockey — not basketball!

Tracy tells a wild story about the deer that got away — or was it a "dear."

A rare moment in Marvin's "journey" — time for studying biology

The "journey" of the Homely Court is beyond words!

During our "journey" through school, we often make many very good friends.

"The "journey" to the source of the chips is very easy to make.

A "journey" through school often confuses a student because the path leads in so many different directions.
